

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I urge you not to eliminate the cable ownership cap, only the cable companies stand to gain anything, whereas all American citizens suffer when they lose access to diverse viewpoints and opinions. Thank you.
